REMARKS

The specification has been amended to conform to U.S. practice, and thus the amendments do not add new matter to the application. Claims 1-2, 23-25, 31, 36 and 44 have been amended. Claim 45 has been added. Upon entry of the amendments, Claims 1-45 are pending in this application. The amendments to the claims are merely for clarification or to conform the claims to U.S. practice, and do not narrow the scope of protection. New Claim 45 is supported by, for example, original Claim 1. Thus, the claim amendments and new claim do not constitute the addition of new matter to the application. In view of the above, entry of the amendments is respectfully requested.

Should there be any questions concerning this application, the Examiner is respectfully invited to contact the undersigned at the telephone number appearing below.

Respectfully submitted,
